Dear members of the Commission:

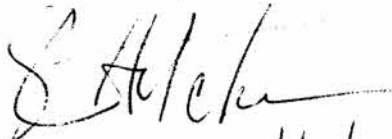

I ask of you to vote no for any rate or other increases APS is seeking.

APS has yet to make a reasonable case as to why as a small business owner I
should have to pay more each month for basic service.

As a business owner who does what I can to be as energy efficient as
possible, it seems unfair to see my bill go up when I am doing my part.

I am relying on you to take a stand for small businesses to be able reduce our
cost we reduce our consumption.

Sincerely,

Sabrina Hutchinson
